

Dear All,

I have carefully selected a few resources for you from the session; that are entirely aimed at helping you develop a more balanced life in your workplace and home life.

Sleep

A great 10-minute podcast with Dr Matthew Walker (neuroscientist) and leading expert in sleep:

Gratitude

Gratitude for 30 seconds everyday improves your telomere length (anti-ageing for your brain), builds resilience and changes your gene expression to positive.

If you were interested in the company that writes hand written cards and sends them on your behalf. They are called:

Gut Health

If your gut is out of balance - then your mental health could be out of balance.
If you are interested in this space, I recommend this read.
